The employee will provide to the Hospital satisfactory proof of payment of such taxi fare.

Such request will be approved or denied by the Manager or designate in writing prior to the posted schedule in which the request falls in.

Overtime Definition – add paragraph

Article 10.04 – not to form part of the collective agreement.

The Parties agree to the following:

The Union will compile a list of members, hired prior to 2010, seeking review of seniority, by end of year 2022 (December 31, 2022). Requests received after this date will not be reviewed.

The Hospital will provide the Union with the data needed to determine seniority calculations (such as original date of hire, hours worked per year prior to 2010) if available.
